## Weekend to include activities for all

Students, Alumni, and Parents have a weekend of activities to choose from during Homecoming Weekend on October 7-9. Residence Hall Government is sponsoring Parents Weekend the same weekend to take advantage of the festivities planned.

### ALUMNI

This year's alumni committee for Homecoming weekend is Mary Ellen Fischer Clark, '73; Mary Lou George, '55; and Rebecca Esser, '76. They have planned the following activities for all alumni:

Friday, October 7 — Goppert Theatre performance of "God's Favorite" by Neil Simon, 8 p.m. Also, the theatre

division will be highlighted in another celebration of Avila's twentieth year anniversary in pre-curtain festivities.

Saturday, October 8 — Cocktail party in Marian Centre from 7 to 10 p.m.

Sunday, October 9 — Mass in Goppert Theatre at 9 a.m., followed by brunch in the Marian Centre Dining Room. Honored classes will be the classes of '23, '33, '43, '58, '73, and '78.

### ATHLETIC EVENTS

Saturday, October 8 will have two varsity teams and one club level team matching skill and technique against opposing Kansas City teams. The volleyball team will

meet UMKC in the Mabee Fieldhouse at 10 a.m. The men's soccer team will match cross-town rival, Rockhurst, at 2 p.m. on Avila Field. And the women's club level soccer team match themselves against Rockhurst at 4 p.m. on the Avila Field.

### STUDENTS

October 7 and 8 will be the last two opportunities to attend the theatre performances of one of Neil Simon's wittiest comedies, "God's Favorite."

Based on the Biblical story of Job, this show will fill one with reverent laughter while it provokes thoughts with the essential theme of the original story.

Avila students may reserve their customary complimentary ticket by calling 942-8400 Ext. 290 or stopping by the Goppert Box Office. Each student must be prepared to present his/her I.D. when picking up the ticket.

The musical, "The Wiz," starring Michael Jackson, Diana Ross, and Richard Pryor will be shown in the Marian Centre Lounge, Friday, October 7 at 7 and 9:30 p.m. This film is sponsored by the Student Union Board and is free to the Avila community and their guests.

Saturday night students and their guests may dance to the tunes of their favorite performers/singers with the

multi-media, sound and light show of "Reproduced Sounds Limited." A new dimension to this sound system is four slide projectors to create a special atmosphere.

Adam's Mark ballroom, furnished with table-seating for approximately 150 people will be the site for the dance. Adam's Mark is located at I-70 and the Sports Complex.

The dance, sponsored by the Student Union Board, will be from 9 p.m. to midnight. Tickets may be purchased from any Student Union Board member or the Office of Student Life for \$1.50 advance; or \$2 at the door. Hors d'oeuvres will be served.

### PARENTS

Parents of residential students will be honored at a special luncheon on Saturday and at Mass on Sunday morning in Foyle Chapel.

Parents have been invited to participate in the other Homecoming activities with their son and/or daughter.

A variety of other events for clubs and organizations and areas of the college have been planned for Homecoming Weekend. Members of such groups will be notified of these activities.

### Come one! Come all!

## Royal Lichtenstein Circus to perform at Avila

Come one! Come all! To THE GREATEST SHOW ON EARTH! Come see the 1983-84 edition of THE ROYAL LICHTENSTEIN QUARTER RING—SIDEWALK CIRCUS. Performing October 20, at 12:00 p.m. outside, on the campus lawn. In case of rain the performance will be held in the Mabee Fieldhouse.

Now in its twelfth annual season, The Royal Lichtenstein, Circus, is currently touring a brand new cast of performers through twenty-

five states, in a lightning-paced potpourri of unicycling, juggling, comedy, funambulism, magic and animal acts, as well as two narrated-mime fables.

Featured in this year's edition are the wire-walking wizardry of Delaware's Paul Hadfield; ace unicycling by Philadelphia's Joe Colon; the wacky antics of San Jose comedienne, Nina Gray; and the eccentric juggling artistry and illusions of John Hadfield, who will re-create

on of Harry Houdini's most sensational effects.

The expanded menagerie of domestic and exotic trained animals — including Dan Rice, the world's smallest performing circus stallion, will be under the direction of ringmaster-founder, Nick Weber, assisted by Nina Gray.

This year's narrated-mime fables are "Two Towns," a whimsical account of a dancing magician's experiment with capitalism; and, "Herman and the Night," comic

interplay between a cosmic crank and a loving spirit.

No matter what your age, the Royal Lichtenstein Circus promises something for everyone. Be sure not to miss this extravaganza, as the Royal Lichtenstein Circus raises the big top over Avila.

The Royal Lichtenstein Circus is sponsored by the Student Union Board Special Events area and funded through the Student Activity Fee.

Ringmaster-clown, Nick Weber, and one of his newest friends from the menagerie of the all-new, 1983-84 edition of the Royal Lichtenstein Circus. The circus will perform October 20 at noon on the south side of Marian Centre.

**Grandview Skateland**

*Roller skating party rolls on October 21*

Spend Friday night, October 21, with SUB roller skating. Skate the night away at Grandview Skateland from 11 p.m. to 1 a.m. The fun will take place at 13613 S. 71 Highway. This event is free to Avila students, faculty, staff and their guests. Come on out for the fun time.

## Fellowship Club reaches out, Plans to expand participation

On September 19, the Avila Fellowship Club met to set goals and plan activities for this year. Emphasis will be on encouraging student participation in the Kansas Catholic College Student Convention to be held in February.

Last year eight Avila students attended the convention and they enthusiastically await this year's sharing.

The convention is an experience college students gathering in a religious context to consider their most basic life goal; to follow and to minister to His faithful. This experience enables those in attendance to admit their commitment to Catholicism and to see how it affects higher education.

The young adults come to see themselves as persons

following Christ through the Catholic church and reaching out to others through their respective colleges and universities.

Bernadette Stueve, a junior, represented Avila at the convention planning meeting held in Manhattan, Kansas on September 23. Members of the Fellowship Club will soon be distributing information and registration forms since early registration is requested.

Other club activities planned for this year are educational and social events based on the theme, "We Help Ourselves Through Helping Others".

Contact Sr. Pat Gillespie in Borserine 422 or any member of the Fellowship Club for further information.

## Broadway musical Translated to film

by Linda Morris

"The Wiz," starring Diana Ross, Lena Horne, Michael Jackson, Nipsey Russell, and Richard Pryor will be shown on October 7 at 7:00 and 9:30 p.m. in Marian Centre Lounge. This film is an "absolutely delightful" version of the smash Broadway musical, "The Wiz."

It transports its audience to a fantasy world that is truly magical. The special effects used and the production design of New York City are said to be spectacular.

On October 20 and 21 "Gandhi" will be presented at 7:00 p.m. in Marian Centre Lounge. Ben Kingsley portrays Mahatma Gandhi in this exquisite biographical film.

Gandhi's goal was to free India from British rule by using peace as his strategy and humanity as his weapon.

Director Richard Attenborough worked nearly twenty years to bring this motion picture to the screen, and Ben Kingsley has succeeded in capturing and conveying how Gandhi changed the world forever. Come see for yourself the movie everyone has been talking about since its release.

"The Shining," starring Jack Nicholson and Shelly Duvall, will be shown on

October 28 at 7:00 and 9:15 p.m. in Marian Centre Lounge.

Jack Nicholson portrays a struggling writer who agrees to be the caretaker of a Colorado resort hotel which becomes isolated by a snowstorm. He, his wife and son soon discover that the hotel is possessed by demonic spirits.

Once the spirits possess him, Nicholson's wife and son must fight for their lives when he attempts to kill them. Come see this tale of horror and suspense and prepare for the most frightening day of the year, Halloween!

If you want to see a tomato that can pack a punch, SUB has just the movie for you. "Attack of the Killer Tomatoes" will be shown on November 4 at 7:00 and 8:45 p.m. in Marian Centre Lounge.

It is said to be the world's first "musical-disaster comedy." Containing comedy, music, and nonstop action, Kevin Thomas of the *Los Angeles Times* called the film "hopelessly insane." Come see this zany, killer tomato movie and bring a friend.

Sponsored by the Student Union Board, these films are free to Avila students, faculty, their families, and guests.

## Skills, counseling, listings—HRC ready to listen, assist

by Valerie Turner

Ever wonder where you could get valuable career counseling? Learn interview and resume writing skills? Personal counseling? Current job listing? Or just someone to talk to? The Human Resources Centre is the place to go.

The Human Resources Centre provides free services to all Avila students such as career planning, confidential personal counseling, academic tutoring, job listings, health services, workshops and group studies.

The Career Placement Center, in its self, is a multifaceted program. It includes

assistance with deciding an academic major, help with resume writing and successful interviewing techniques, and a career exploration program on a new computer called SIGI (System of Guidance and Information).

The purpose of SIGI are to increase students' freedom of choice, develop their understanding of the elements involved in choice, and to improve their competence in the process of making informed and rational career decisions," according to the Educational Testing Services that developed SIGI.

Like SIGI, there are new

additions to the Resources Centre's staff for the 1983-1984 school year. They are Lynn Compton, Career Development Counselor; Charlene Gould, Sam Elashkar, Rosemary Engelman, College Skills Teaching Assistants; Nancy Olthoff, counselor; and Peer Counselors Stephanie Taylor, and Valerie Turner.

To make an appointment, call 942-8400, ext. 266 or 270 or come to the Center from 8-5 p.m., Monday through Friday. Evening appointments are also available.

## 'People' magazine reveals study results; Boom generation committed to success, leisure

(NEW YORK) America's 76 million baby boomers — individuals from 18 to 27 born after World War II — are more success-oriented than their elders and far more committed to leisure, according to a new PEOPLE Magazine Lifestyle Study. The USA's largest — three out of five adults under 65 — best-educated segment could be tagged the "work hard/play hard" generation, the study reveals.

- Twenty-five percent of the "work hard" generation aged 25-29, and 27% of those 30-37 have already assumed professional/managerial status. Their incomes reflect this advancement.
- The "play hard" generation participates in active sports, attends movies and concerts with *twice the frequency* and impact of the older generation.

With 69% of its 21.8 million readers members of the boom generation, PEOPLE set out to identify their values, attitudes and lifestyle behavior. Monroe Mendelsohn Research

Organization conducted the study for PEOPLE, the most comprehensive research on boomers' lifestyles undertaken in the magazine industry. Researchers held hour-and-a-half, in-depth interviews with 2,074 individuals, a national probability sample, from January to March of 1983.

### Top line results:

- Fifty-four percent of all married boomers live in dual income households.
- 11% of boomers think it's wrong for both parents to work.
- Less than 4 out of 10 boomers believe children are essential for a happy marriage.
- Nearly twice as many as the previous generation — 44% believe in living together before marriage.
- About a third of all boomers believe the initiative in courtship should come from the man, versus well over half of the older population.
- 56% of boomers believe there's "too much em-

phasis on sex today."

- 64% of boomers consider physical fitness "important for my self-esteem."
- Twice as many boomers pursue active sports, including tennis, jogging, aerobic dancing, and skiing, as the older generation.
- Boomers travel more. With women now accounting for nearly half of all airline travel, 62% of those are boom women.
- Two thirds of boomers attend parties and social gatherings for leisure activities, compared to less than half of the older generation.
- Boomers drink with greater frequency than the older generation; 56% of boomers "tend to vote in presidential, state and local elections."
- Politically, 45% of boomers identify themselves as "independents."

(continued at the bottom of columns 1 and 2 on page 3.)

## Speakers invite students to take action In discussion of Salvadorian, Civil Rights

Jim Corbett of Tucson, Arizona, lectured on the plight of the Salvadorian people. The lecture was sponsored by the Office of Student Life.

Mr. Corbett became involved with the "Sanctuary" movement with an incident of a friend of his who picked up a Salvadorian hitchhiker. The hitchhiker told the friend who later relayed the story to Mr. Corbett of the conditions in Salvador.

The hitchhiker's message was that his people were running from Central America and the torture the government of El Salvador uses as a political tool.

"Through talking to the refugees who make it to the United States and not relying totally through the U.S. newspapers is the better way

of learning the truth of El Salvador," said Mr. Corbett.

He added, "The reporters currently in El Salvador cannot obtain the truth from the citizens because the Salvadorian people are frightened to speak for fear of government action against them and/or their family."

The Sanctuary movement is allowed in the United States even though it is against the U.S. foreign policy of supporting the government in El Salvador. Mr. Corbett urged his listeners to write to their state representatives to change support of the El Salvadorian government.

The Rev. Emanuel Cleaver, Kansas City Councilman, addressed this issue of Civil Rights in a class from the Department of Social Sciences.

Rev. Cleaver said he was a

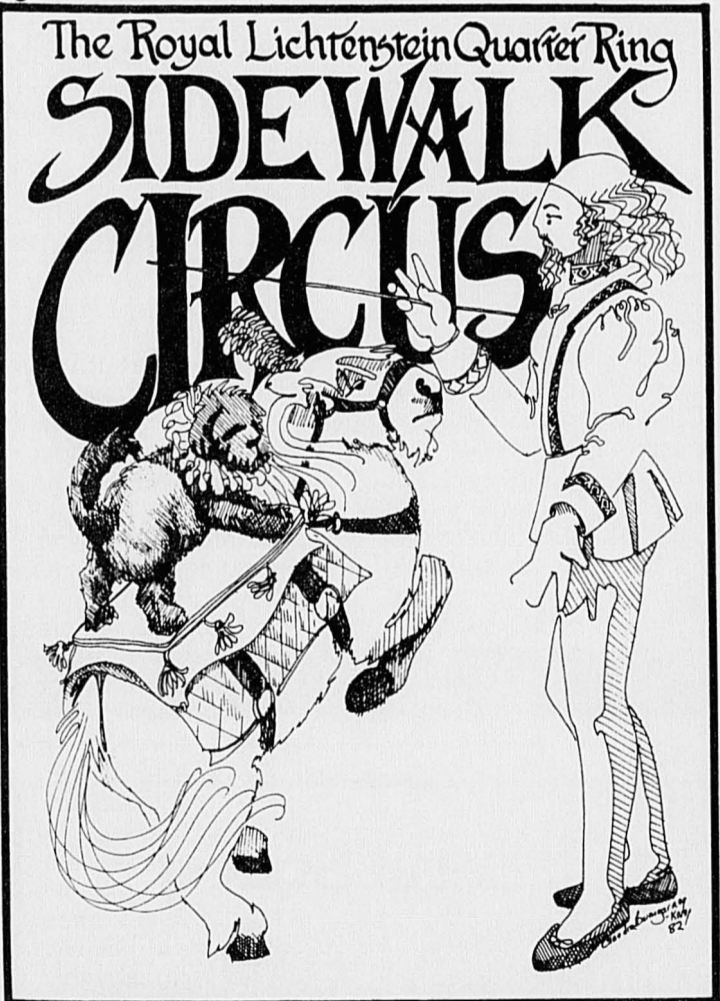

child of the Civil Rights movement. He grew up in Wichita Falls, Texas and as a teenager lead a march of black youth to a movie theatre downtown. They were refused entrance. This experience lead him to more activities for Civil Rights.

"I resent the Civil Rights Act," said Rev. Cleaver. He added that the passing of the Act considered blacks as human beings. Rev. Cleaver said it was an insult to him.

"Civil Rights is on the back burner," said Rev. Cleaver, "There are no signs on the horizons of changing from desegregation to integration. We need to blend together the best of both."

October 7 7:00 & 9:30 p.m. Marian Centre Lounge  
Funded through the Student Activity Fee, these films sponsored by the Student Union Board are FREE to Avila students, staff, faculty and their guests.

According to the PEOPLE Magazine Lifestyle Study, about 35% of baby boomers believe "things are changing too fast." They are translating change into their courtships, marriages, voting, church-going and spending patterns.

Landon Y Jones, PEOPLE

assistant managing editor and author of *Great Expectations*, a study of the baby boom generation, points out: "By 1990, the baby boomers will head every other household in America and will mobilize the greatest concentration of buying power ever assembled."

# Soccer travels to Oklahoma, Volleyball hosts Benedictine

By Avila Sports Information  
September 14, 1983

**SOCCER**  
The Avila Express rolls into John Brown University this Saturday with a 3-2 record. Avila enters the match with a recent 1-0 shutout victory over Tulsa University. Craig Kasten scored the lone goal on a dead ball kick from 20 feet out. Scott Huber received the assist. The shut-out was goalie Tom Hampel's second of the season.

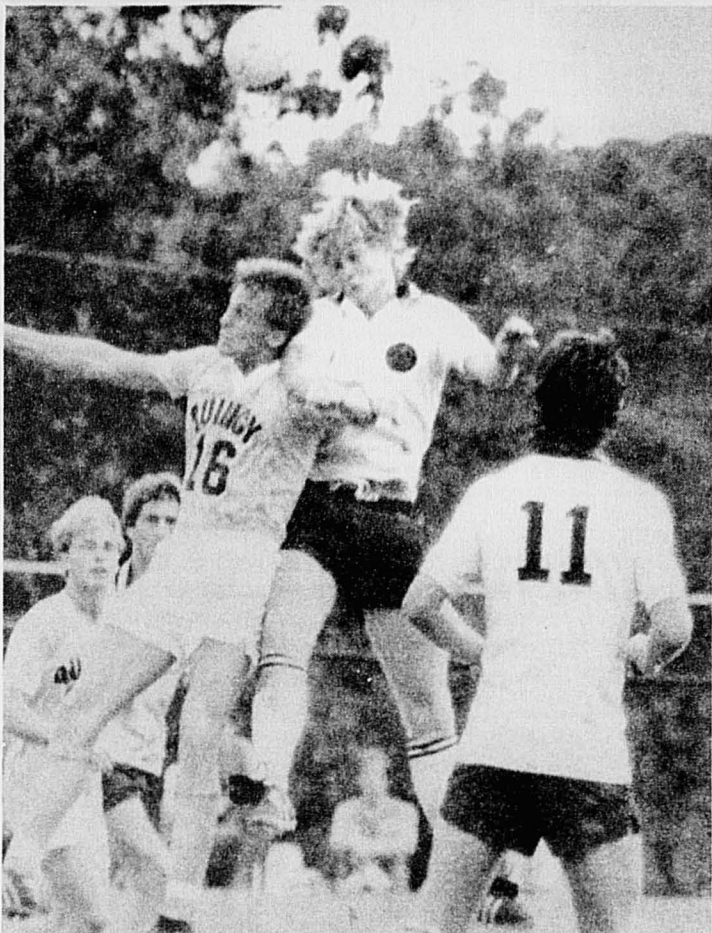

**ALUMNI GAME**  
Avila's first annual Varsity-Alumni Soccer Game will be held this Sunday, September 18, at 2 p.m. on Avila's soccer field. Expected to play for the Alumni are former All-Americans Dan Daily and Joe Schrick, Avila's all-time leading scorer.

**VOLLEYBALL**  
Avila will play host this Saturday morning (Sept. 17-11:00) to Benedictine. The Ravens defeated Avila in an earlier match this season. The Avila squad will be looking for their second win in a row, having defeated Baker in a four game match on Tuesday night. The Avila squad also fared well in their own tournament last week, winning the Consolation Championship against Central Methodist 15-8, 15-2. Park captured the tournament Championship with a 15-11, 15-6 victory over William Woods.

September 21, 1983  
**SOCCER**  
The Avalanche will be going for their third win in a row this Saturday against Benedictine. Avila's most recent win was against John Brown, 3-1. Saturday's game won't be easy, though, as Benedictine is currently the NAIA's No. 1 ranked soccer team. Avila coach Scott Ferris says, "The Ravens are known as a team of hard workers that go non-stop the entire game."

He also said his own team would be shooting more and working to increase danger situations in the opponent's goal area. Towards this end, he will likely be moving Larry Larson to the front line and Ken Bromer to the midfield. Avila used two goals in the first half and an early second half goal to defeat John Brown. Scoring goals for Avila were Craig Kasten, Ryan Roberts, and Larson. Receiving assists were Neil Kelly (2), and Roberts.

**VOLLEYBALL**  
Avila won their third and fourth matches in a row last night when they defeated William Jewell and Central Methodist in a tri-lateral meet. Central Methodist was the first team to fall to Avila, losing 15-7, 15-8. Avila then went on to defeat William Jewell in three games, 11-15, 15-12, and 15-12. Currently Avila's District 16 record stands at 2-0 with their overall record at 4-2.

Craig Kasten, two-time All-American, wins a head ball against Quincy College. Freshman Mike Hennessy (#11) moves in to support Craig. Quincy won the game, 2-1.

## Women's soccer team wins

The women's soccer team won their game against Kansas City League team, Pabst Blue Ribbon, 3-1 on September 18, making their record 1-1-0. Patty McGeary's first goal of the season at the 62 minute mark made the score 2-1. It was a side volley from 35 yards out that caught the opposing goalie off of her line. Forwards Marie Freise and Teresa Crimi created confusion in the opponents' penalty area throughout the game to assist in the victory. Coach (and Avila senior) Joe Sheerer said, "Most players showed great improvementsince the first game (September 11 loss to Charlie Hoopers of the K.C. league). The team is playing with control and imagination which is unusual for such new and inexperienced players." Team members are Lisa Arnell (B), Ann Byrne (M), Ginger Coldsnow (G), Gaynell Cooper (B), Teresa Crimi (F), Debbie Farris (M), Mary Kay Fisher (B), Marie Freise (F), Stephanie Froemsdorf (M), Erin Gibbons (M), Jennifer Hand (B), Donna Malone (B), Patty McGeary (M), Tricia Reardon (F), Debbie Ryan (B), Terry Strey (F), and Bernie Stueve (B). "I'm really happy with the progress we have made so far; most of the girls have never played before at all. We are doing well in league competition right now, but what we are really preparing for are the other college teams. First of all, Rockhurst," said Coach Sheerer.
